Remarks

The Examiner called the undersigned Practitioner on February 17, 2009, and indicated that an Office Action dated November 24, 2008, was incorrectly marked as FINAL instead of NON-FINAL. The Practitioner suggested filing a corrected Response referring to the non-final status of the November 24, 2008 Office Action, since the response period was still within the 3 month period for reply without requiring an extension of time. The Examiner agreed.
